When I called the guy really sounded like he knew carpets well after the many questions I asked. He gave me a quote right over the phone. They came to my house and we found them professional yet friendly, they followed COVID protocol with only one person in the house at a time with masks on. Spotless Carpet Cleaning Oshawa did an amazing job removing the stain from my carpets that have been there for a good year plus the carpets of the entire house look just amazing now. Amazing customer service and amazing results! I will definitely use this company whenever we need cleaning and will recommend them to our family and friends. Thanks a lot guys and keep up the good work. Fiver stars!

Spotless Carpet Cleaning Oshawa cleaned my carpets thoroughly and removed the pet odor left by my two dogs. They were punctual, professional, and conscientious. I wholeheartedly recommend these guys for all of your carpet cleaning needs!

I just received my silk prayer carpet this morning! Only five days and it was spotless. The pick-up and drop-off service was very reasonable, and the man followed all of the Covid protocols!! The rug looks fantastic!!! I am now a very satisfied customer of Spotless Carpet Cleaning Oshawa.

The best carpet cleaning service I've ever used in Oshawa. They removed all of the pet stains from my carpet and made it look brand new again. Great prices and even better results.

Excellent customer service from Spotless Carpet Cleaning Oshawa! They cleaned my oriental rug, which my subletter had spilled milk on and their cat peed on it also. Furthermore, they went above and beyond the call of duty by fixing up a few extra things for reasonable charges. I was hesitant to send this rug to be cleaned but they far exceeded my expectations. I will call them back later on when I need to get the carpet cleaned when my tenant move out of my rental at the start of next year.
